

01.11.21 Science, technology, research and innovation Day

time	session title	room	organisers
8:30 9:30	Blindspots of net-zero strategies and how to address them	Online	Circle Economy; University College London; Wageningen University; Research Carnegie Endowment for International Peace; Chatham House
9:30 10:30	What does transforming the energy system really mean? Adaptation, resilience & transition challenges	Glasgow	European Climate, Infrastructure and Environment Executive Agency (CINEA); Horizon Europe Climate, University of Exeter; Group of Chief Scientific Advisors to the European Commission
10:00 11:00	Towards an emission neutral society: challenges and opportunities	Online	H2020 project NAVIGATE represented by Potsdam Institute for Climate Impact Research; H2020 project Paris Reinforce, represented by National Technical University of Athens; H2020 project LOCOMOTION, represented by European Environmental Bureau; H2020 project VERIFY, represented by Laboratoire des Sciences du Climat et de l'Environnement
11:30 12:30	Policy, business, and social challenges for carbon dioxide removals and carbon capture & storage	Brussels	Zero Emissions Platform (ZEP); Delft University of Technology (TUD); Climate Strategies (C4U); JIN Climate and Sustainability (LANDMARC); VTT Technical Research Centre of Finland (NEGEM); GEOMAR Helmholtz Centre for Ocean Research Kiel (OceanNET); The Mercator Research Institute on Global Commons and Climate Change (GENIE); Carbon Capture and Storage Association (CCSA)
	The Journey from Scientific insights to Societal Action	Online	European Climate Research Alliance; Climate Psychology Alliance; research projects SOCLIMPACT, COACCH (climate adaptation, modelling), PESETA IV (EU JRC); European University Association; ENGAGE (Exploring National and Global Actions to reduce Greenhouse gas Emissions), IIASA: The International Institute for Applied Systems Analysis
13:00 14:00	Too much data: How can the composite indicators and scoreboards explorer help you?	Brussels	European Commission - Joint Research Centre
	Beyond Cutting Methane Emissions: Why We Need to Enhance Atmospheric Methane Oxidation	Online	University of Copenhagen; Cambridge Centre for Climate Repair
14:30 15:30	EO for Climate Action: Mitigation, REDD+, and the Global Stocktake	Brussels	European Commission - Joint Research Centre; European Commission - DG DEFIS and DG RTD European Space Agency European Centre for Medium-Range Weather Forecasts
	Climate change and health in Europe: knowledge development and sharing efforts	Glasgow	European Environment Agency; European Academies' Science Advisory Council; CICERO - Center for International Climate Research; Women Leaders for Planetary Health, Lancet Pathfinder
	The role of Photovoltaics for the Global Energy Transition	Online	European Commission - Joint Research Centre

time	session title	room	organisers
16:00 17:00	Digital solutions as an enabler for climate action	Online	European Commission – DG CONNECT and DG CLIMA; UNFCCC; European Green Digital Coalition; GIZ- Make IT Alliance
	From Climate Research to Climate Services – How Satellite Observations contribute!	Glasgow	European Space Agency; European Commission – DG RTD; ECMWF; EUMETSAT
17:30 18:30	Climate Adaptation enabled through the Copernicus Services and international cooperation	Glasgow	The European Centre for Medium-Range Weather Forecasts & JRC on behalf of DG DEFIS
	Net-Zero and Beyond: How Carbon Removal and Reduction Technologies Champion Climate Targets	Online	South Pole; CCUS Projects Network; Global CCS Institute
19:00 20:00	Updates on the Emissions Gap and country action from major progress trackers	Glasgow	UNEP DTU Partnership; PBL Netherlands Environmental Assessment Agency; NewClimate Institute, Climate Analytics, Imperial College London
	Meeting our Sustainable Development Goals through an integrated carbon management approach	Online	CO2GeoNet; Institute for Advanced Sustainability Studies; GFZ German Research Centre for Geosciences, GERICS, CO2Chem, Sheffield University, Global CO2 Initiative, CO2WIN/DECHEMA, Kassel University

02.11.21 Regional perspectives and international partnerships, local actors

time	session title	room	organisers
10:00 11:00	EUROCLIMA+: Together for a sustainable and low carbon post-pandemic recovery in Latin America	Glasgow	European Commission – DG INTPA; AECID, AFD, EF, FIIAPP, GIZ, CEPAL, UNEP
	Climate change and conflict: prevention, foresight, resilience and adaptation of populations at risk	Online	European Commission – Service for Foreign Policy Instruments; European External Action Service; International Committee of the Red Cross, PIK
11:30 12:30	Solar to power Africa: building partnerships that deliver results	Glasgow	ISA-EU PSF Project; ISA; European Investment Bank; European Commission – DG ENER and DG INTPA; Ministry of Development Cooperation, Government of Denmark; ESMAP
	Long-Term Strategies: Priorities, Lessons and Opportunities for International Cooperation	Online	German Advisory Council on Global Change; German Development Institute; Enhanced Regional EU-ASEAN Dialogue Instrument; Climate Recon 2050 members
13:00 14:00	Climate Action in the Mediterranean	Glasgow	Union for the Mediterranean; Ministry of Agriculture, Rural Development and Environment, Government of Cyprus; Clima-Med – Acting for Climate in South Mediterranean; Clima-Med; MedECC
	Shifting public support and policies towards a clean and just energy transition in the Global South	Online	International Institute for Sustainable Development (IISD); Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ), Institute for Advanced Sustainability Studies, Government of Nepal
